Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent.

Respecting the error in the omission of related Application Data; the Declaration/Oath in addition to the first sentence of the specification and/or any amendments thereto, is used for printing data claimed under 35 USC 120. Requirements regarding Foreign Priority Data and Provisional Application Data are referred to in 35 USC 119. Since conditions have not been met in accordance with requirements for priority claimed as requested, entry of requested data is considered unwarranted.

In view of the forgoing applicants' request in this matter is hereby denied.

Any inquiry concerning this communication should be directed to Ms. A. Green at (703) 308-9380 ext. 123.
